Coach Recruitment Info Session

Our **NEW Coach Recruitment Session** draws from 20 years of tried and tested volunteer and coach recruitment methods to help youth sports program administrators recruit, onboard, and support the coaches they need so that all kids have access to a positive youth sports experience.

Topics Covered

By attending and actively participating in this webinar, you can expect to walk away with new strategies, tools, and approaches to enlist members of your surrounding community to coach youth sports teams with confidence.

- Identify new potential coach pipelines
- Refine recruitment methods
- Streamline coach onboarding
- Consider coach retention strategies
- Learn more about PCA's support
