CHARACTER & LEADERSHIP DEVELOPMENT PROGRAM

Goal: Provide student-athletes valuable skills that will benefit them in athletic competitions, the classrooms, their communities and their future careers.

The PCA CHARACTER & LEADERSHIP DEVELOPMENT PROGRAM is a curriculum of four (4) workshops for student-athletes that outline PCA’s foundational principles and how to put those principles to use. Each workshop is a 50-minute, highly interactive session integrating group learning and case study techniques.

PCA also offers corresponding workshops for Administrators, Coaches and Parents.

PART 1: Becoming a Triple-Impact Competitor®
This workshop teaches how to become a Triple-Impact Competitor, impacting sport on three levels by working to improve oneself, teammates and the game as a whole. Key topics include:

- **Mastery** – effort, learning and bouncing back from mistakes;
- **Filling Emotional Tanks** with truthful, specific praise and constructive criticism;
- **Advancing the sportsmanship values** by **Honoring the Game**.

PART 2: Making Teammates Better: Leadership
This workshop provides a deeper view into Filling Emotional Tanks and how teammates can help each other improve. Key topics include:

- **Positive and productive communication**, including conflict resolution
- **Leadership** and how all athletes, regardless of status or class year, can contribute

PART 3: Making Teammates Better: Positive Initiation and Hazing
This workshop provides a continued look at Filling Emotional Tanks and the use of Positive Initiation to welcome new teammates. Key topics include:

- **Hazing** and exploration of common team traditions
- **Upstanders vs. Bystanders**
- **Positive initiation and team bonding**
- **Inclusive culture creation – sports can unite!**

PART 4: Honoring the Game: Social Media Use
This workshop provides a deeper view into how social media can impact athletes and teams and ideas for positive use. Key topics include:

- **Defining your personal brand**
- **Effects and consequences of social media posts**
- **Positive digital citizenship**
- **Moral courage and bystanders vs. upstanders**
