

POSITIVE COACHING ALLIANCE WORKSHOPS

PCA workshops combine the latest in sports and educational-psychology and organizational behavior with **practical advice** from a National Advisory Board of top pro and college athletes and coaches who use our principles at the highest levels of competition. All workshops are highly interactive and facilitated by PCA Trainers with deep experience in coaching, sports parenting, athletic administration or all three!

FOR COACHES

NEW DEVELOPING COMPETITORS THROUGH POSITIVE COACHING (Youth) is

PCA's foundational workshop that provides coaches with the tools to create a Positive Youth Sports Culture that sets athletes up to succeed both on and off the field.

CULTURE, PRACTICES AND GAMES further illustrates how coaches use PCA principles to build a team culture that players and their parents buy into, thus leading to life lessons and improved athletic performance in practices and games.

POSITIVE MOTIVATION: Getting the Best from Athletes provides deeper exploration of Filling Emotional Tanks, including discussion of research that demonstrates how positive coaching improves performance and openness to life lessons.

COACHING WITH EMPATHY Provides coaches with the tools to build meaningful, understanding relationships with and amongst their team - and unlock the many benefits that sports can provide.

FOR PARENTS:

THE SECOND-GOAL PARENT®: Developing Winners in Life Through Sports draws from the Double-Goal Coach model (winning and life lessons) to help parents focus on the second goal, ensuring their children gain the higher value of youth and high school sports regardless of scoreboard results.

THE SECOND-GOAL PARENT®: Tips and Tools to Develop Winners in Life Through Sports is a shortened version of the Second-Goal Parent: Developing Winners in Life Through Sports.

DEVELOPING COMPETITORS THROUGH POSITIVE COACHING (High School) takes

the principles for establishing a Positive Youth Sports culture and views them from a high school perspective while introducing the Triple-Impact Competitor model.

MASTERY: Coaching for Peak Performance provides deeper exploration of PCA's second principle for coaches, ELM (Effort, Learning and bouncing back from Mistake). Coaches will explore how to help their athletes improve and perform to their potential through a mastery focus.

SPORTS CAN BATTLE RACISM: A Workshop for Coaches strives to establish and enhance the building of sports environments free of hate and discrimination.

FOR BUSINESSES:

POSITIVE MOTIVATION FOR MANAGERS (BUSINESS TEAMS) Anyone who participates in PCA programming - whether it be in youth sports, on business teams, or in personal relationships - can benefit, and expect to see improved ability to work as part of a team, greater personal resilience, and an increased capacity to bounce back from mistakes.

FOR LEADERS:

LEADING YOUR ORGANIZATION: Developing a Positive Coaching Culture where attendees learn why and how to establish Positive Coaching as a cultural norm, plus they get a takeaway action-plan for implementation throughout their community of coaches, parents, athletes, officials and spectators.
