

Coach Evaluation Form for Parents

Please help us evaluate how well we did this season by telling us about your child’s coach. Our organization is committed to providing players with a positive youth sports experience, which starts with a positive, supportive coach!

A Positive Coach:

Prioritizes Trusting Relationships to make sure all athletes feel safe, valued, and that they belong.

Treats all aspects of the game with dignity - the team, rules of competition, opponents, and officials.

Focuses on development over results, emphasizing effort, learning and improvement, and viewing mistakes as learning opportunities.

Contributes to players’ emotional well-being via positive encouragement and support so players can play their best.
