

LEADING YOUR ORGANIZATION

This workshop helps your leadership team with a written action plan, created with the guidance of the PCA Trainer (workshop facilitator), specific to the needs and circumstances of your organization and the population it serves. Throughout the workshop, and reflected in the action plan, is an emphasis on PCA's "Single-Goal" Leader model, in which shaping the culture of your organization is the primary task of your leadership team.

"I want to thank PCA for assisting us in the first phase of our growth in sportsmanship. Our goal this year is to make sure that each member of the Bellarmine Community is on the same page in the area of sportsmanship."

- Terry Ward, Bellarmine

Creating a positive, character-building youth or high school sports experience requires organizational leaders committed to creating and maintaining a Development Zone® for developing "Better Athletes, Better People." This workshop helps your leadership team do exactly that.
